A Teaching Moment

24th Sunday in Ordinary Time

"Found" is a great word! It can have so many levels of meaning. Obviously it means having recovered something that was misplaced or lost. My aged mother is forever "finding" her glasses, even though they are usually on the table under the mail or the newspaper. Found can also mean to begin something or to set something up. The parish I worship at, like the one you belong to, had a founding pastor who organized the beginning of community in response to the bishop's request or the call of the people in the area. Anyone who works with molten material also knows that to found means casting that metal or glass object in a place called (of course!) a foundry. Jesus tells the story today of a woman who has ten coins and lost one. All three meanings of the word "found" are part of parable. The coin was found (that is cast) by a treasury, either the emperor's or that of a local realm. Having lost the coin, the woman found (that is recovered) it after searching the whole house. The recovery of the coin occasioned the founding (that is the initiation) of her rejoicing. The parable of the lost coin is truly about founding. Like that coin, we may be lost at times, but God finds us. He recovers us from whatever has separated us from him, whether that is sin, the distractions of life, or the fragility of our faith. In finding us, God renews us. He remolds us and forms us more and more into people with a lively faith. Like that molten metal that is founded into a coin, the love of God purifies us and remakes us anew, casting us into the image of Christ. By asking God's forgiveness and by praying for a renewal of faith, we gain a new foundation and so can begin again, living the way Christ has taught us, filled with the love of God and love for our brothers and sisters.
